Evidence: In the dystopian realm of Panem, evidence of a disconcerting societal structure is abundantly clear. The Capitol exercises tyrannical authority over the twelve districts, exemplified by the annual Hunger Games, where each district must offer a tribute—a boy and a girl—to participate in a televised fight to the death. The brutality of the Games, illustrated by Katniss Everdeen's struggle for survival, showcases the government's ruthless control over its citizens. The stark divide between the opulent lifestyle of the Capitol and the impoverished conditions in the districts further emphasizes the stark inequalities ingrained in this dystopian world.
